2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. Continuation of 4(e) Other: Former claim 1 included new recitation, "antibodies to a Her-2/neu receptor,". Currently amended claim 1 still includes the recitation but the comma is amiss. Applicants must include all text and punctuation from the original claims and list it in the currently amended claim and reflect changes by a strike through, double brackets or underlining. In the instant case it seems as if a strikethrough of the comma should have been presented. .
